PROFILE

Interactive Design student focused on user-centered digital experiences and brand identity. Experienced producing architectural presentation graphics, with project work in research, wireframing, prototyping, and visual design.

EDUCATION

Kennesaw State University | B.S. Interactive Design

August 2022 - December 2026 (expected)

EXPERIENCE

Part-Time Illustrator | BrosRomanBraun · Remote

July 2023 - December 2025

Created architectural presentation graphics and managed the illustration workflow from concept through delivery. Prepared and formatted imagery to meet submission standards.

SELECTED PROJECTS

anesthex: angelware / Brand identity · Adobe Illustrator · Solo project

Built a cohesive identity for a fictional electronic artist across album packaging, concert promotion, and merchandise.

Somniphobia / UX/UI · Figma · Team project

Contributed to research, personas, scenarios, wireframes, and a high-fidelity mobile prototype using Goal-Directed Design.

Kraetiv / Interface design · Figma · Solo project

Designed an artist platform from wireframes to a high-fidelity prototype, including galleries, shops, and community groups.

ADDITIONAL WORK

Crew Member | Five Guys · Kennesaw, GA

November 2023 - February 2025

Delivered customer service, cross-trained across roles, helped onboard team members, and improved closing procedures with the team.

Cashier / Sales Associate | Michaels · Kennesaw, GA

May 2023 - November 2023

Processed in-store and online orders, supported sales through product knowledge, and fulfilled orders accurately under tight turnaround times.
